easy clean

wipes clean every time, no ghosting or fading

homegrown

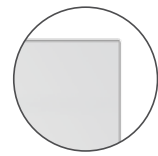

products made right here in the USA

description

Aria Glassboards provide an elegant writing surface that allows you to effectively communicate important patient information, while utilizing empty wall space. Made with 1/4" thick tempered safety glass, Aria sits only 1/2" off the wall and is held in place by VividBoard's secure, 2 cleat mounting system. With hidden hanging hardware and a frameless, smooth writing surface, the board will not ghost or leave behind sensitive patient information.

product details

- **Standard Size:** 18" x 24" | 2'x3' | 3'x4' | 4'x4' | 4'x5' | 4'x6' | 4'x8'
- **Finish:** 1/4" tempered glass writing surface. Available in both magnetic and non-magnetic surfaces.
- **Design:** Square corners with magnetic or non-magnetic surface.
- **Mounting:** Two support bars on back of board, lower support bar functions as integrated underneath marker storage, floats just 1/2" from the wall.

Square Corner

Marker Storage

every vividboard features

- **Aria** glass writing surface withstands high use, eliminates ghosting, and cleans easily to ensure sensitive patient information isn't left behind and is guaranteed for life.
- **VividDesign™** consultants who work with your internal or external resources to help you create the most effective design possible to get **EXACTLY** what you want.
- **VividGraphics™** high impact imaging process for the sharpest graphics in the industry. Allows for writing across the full surface of the board.
