# InHarmony Changeable Glassboards

InHarmony Changeable Glassboards from VividBoard marry the permanence of a traditional graphic dry erase board with the flexibility and ease of use demanded by today's complex healthcare environment. InHarmony allows you to showcase different care plans or multiple languages with a removable insert that is easily replaced if branding or initiatives change.

## Details

- **Size:** 18" x 24", 2' x 3', horizontal or vertical.
- **Finish:** 1/4" thick tempered glass with a rigid 1/8" thick VividCore insert.
- **Design:** 1" radius or square corners for strength and safety.
- **Mounting:** Satin aluminum standoff hangers create 1/4" spacing between the wall and the board, so graphics slide in and out easily.

## Features

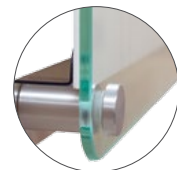

- Replaceable, removable inserts easily slide out from behind the glass writing surface.
- Innovative channel holds insert firmly against the glass giving the illusion of permanent graphics.
- Writing surface withstands high-use, eliminates ghosting and carries a lifetime warranty.
- Customize both the glass border and the insert to meet the needs of your facility.
